

COLLABORATIVE PROGRAM IN ENVIRONMENTAL STUDIES

- **Master's degree (M.A; M.Ed.) in Adult Education & Community Development**

Master of Arts (M.A.) Requirements Thesis Stream (total of 4.0 FCE):

Master's students who wish to qualify for notation of Environmental Studies Collaborative Program completion are required to complete a total of 4.0 FCEs as follows:

- At least 2.0 FCEs must be taken from AECD program as determined by MA degree program requirements;
- ENV 1001H mandatory core course, plus one half-credit (0.5 FCE) course elective from the School of the Environment list of approved courses;
- Write a thesis in the home department on an environment related topic.
A copy of the final thesis must be submitted to the School of the Environment prior to convocation.

Master of Education (M.Ed.) Requirements Non-Thesis Stream (total of 5.0 FCE):

Master's students who wish to qualify for notation of Environmental Studies Collaborative Program completion are required to complete a total of 5.0 FCEs as follows:

- At least 2.5 FCEs must be taken from AECD program as determined by MEd degree program requirements;
- ENV 1001H mandatory core course, plus one half-credit (0.5 FCE) course elective from the School of the Environment list of approved courses;
- Take an environment related Internship (ENV 4444Y). A formal proposal for the internship must be submitted to the School of the Environment by the end of the second semester in residence;
- Write a Research Paper (ENV 5555Y) on an environment related topic.
A copy of the final research paper must be submitted to the School of the Environment prior to convocation.

NOTE: The Collaborative Program requirements may be counted as electives towards both master's degree programs requirements.

- **Doctoral degree (Ph.D.) in Adult Education and Community Development (AECD)**

Ph.D. degree Requirements in AECD Program (total of 3.0 FCE):

Doctoral students who wish to qualify for notation of Environmental Studies Collaborative Program completion are required to complete a total of 3.0 FCEs as follows:

- At least 2.0 FCEs must be taken from AECD program as determined by PhD degree program requirements;
- ENV 1001H mandatory core course, unless already taken at the master's level, plus one half-credit (0.5 FCE) course elective from the School of the Environment list of courses;
- Plus present a seminar in either of the two Seminar Series run by the School of the Environment (the Environment Series or the Environment and Health Series), or deliver a brief talk at the School's Research Day;
- Write a thesis in the home department on an environment related topic.
A copy of the final thesis must be submitted to the School of the Environment prior to convocation.

NOTE: The Collaborative Program requirements may be counted as electives towards doctoral degree program requirements.
