

# COLLABORATIVE PROGRAM IN ENVIRONMENTAL STUDIES

Concerning the requirements for Master's and Doctoral degree students registered in the Department of Anthropology and in the Environmental Studies Collaborative Program at the School of the Environment.

- **Master's degree (M.A.; M.Sc.) in Anthropology**

**Master of Arts (M.A.) Requirements Non-Thesis Stream (total of 4.0 FCE):**

Master's students who wish to qualify for notation of Environmental Studies Collaborative Program completion are required to complete a total of 4.0 FCEs as follows:

- At least 2.0 FCEs must be taken from Anthropology as determined by MA degree program requirements;
- ENV 1001H mandatory core course, plus one half-credit (0.5 FCE) course elective from the School of the Environment list of approved courses;
- Take an environment related Internship (ENV 4444Y); A formal proposal for the internship must be submitted to the School of the Environment by the end of the second semester in residence;
- Write a research paper in the home unit (ANT 2000Y), which will also count towards the collaborative program research paper requirement (ENV 5555Y). *A copy of the final research paper must be submitted to the School of the Environment prior to convocation.*

*Please note that MA students shall use their home unit code designator ANT 2000Y when registering on ROSI for the research paper project.*

**Master of Science (M.Sc.) Requirements Non-Thesis Stream (total of 5.0 FCE):**

Master's students who wish to qualify for notation of Environmental Studies Collaborative Program completion are required to complete a total of 5.0 FCEs as follows:

- At least 3.0 FCEs must be taken from Anthropology as determined by MSc degree program requirements;
- ENV 1001H mandatory core course, plus one half-credit (0.5 FCE) course elective from the School of the Environment list of approved courses;
- Take an environment related Internship (ENV 4444Y); A formal proposal for the internship must be submitted to the School of the Environment by the end of the second semester in residence;
- Write a research paper in the home unit (ANT 2500Y), which will also count towards the collaborative program research paper requirement (ENV 5555Y).

*A copy of the final research paper must be submitted to the School of the Environment prior to convocation.*

*Please note that MSc students shall use their home unit code designator ANT 2500Y when registering on ROSI for the research paper project.*

**NOTE:** The Collaborative Program requirements may be counted as electives towards both master's degree programs requirements.

- **Doctoral degree (Ph.D.) in Anthropology**

**Ph.D. degree Requirements (total of 3.0 FCE):**

Doctoral students who wish to qualify for notation of Environmental Studies Collaborative Program completion are required to complete a total of 3.0 FCEs as follows:

- At least 1.5 FCEs must be taken from Anthropology as determined by PhD degree program requirements;
- ENV 1001H mandatory core course, unless already taken at the master's level, plus one half-credit (0.5 FCE) course elective from the School of the Environment list of courses;
- Plus present a seminar in either of the two Seminar Series run by the School of the Environment (the Environment Series or the Environment and Health Series), or deliver a brief talk at the School's Research Day;
- Write a thesis in the home department on an environment related topic.  
*A copy of the final thesis must be submitted to the School of the Environment prior to convocation.*

*NOTE:* The Collaborative Program requirements may be counted as electives towards doctoral degree program requirements.
